1. A meeting of the Faculty was held at 4:10 P. M. on the call of President Clapp, who presided.

2. The following members were present: Abbott, Ames, Arnoldson, Atkinson, Badgley, Baumgartner, Bennett, Boutelle, Burke, Coleman, Crumbaker, Daughters, Dixon, Elrod, Freeman, Hoffman, Howard, Howd, Jesse, Kirkwood, Laux, Leaphart, Little, McKenzie, Maddock, Mason, Merriam, Merrill, Miller, Mirrielees, Munro, Phillips, Platt, Riedell, J. The following members were accounted for: Bradley, Carey, Corbin, Gleason, Line, Spaulding, Wood.

3. The minutes of the meeting of February 28th were approved.

4. The Committee on Admission and Registration, Phillips, Chairman, reported that all candidates for degrees who had been provisionally approved by the faculty on February 28th completed the requirements for their respective degrees and certificates at the end of the winter quarter, with the exception of Mary Katherine Gormley, who was a candidate for the degree of Bachelor of Arts in Business Administration.

5. The Committee on Admission and Registration, Phillips, Chairman, presented petitions from the following students:

Griffiths, Albert: to be exempted from the foreign language requirement for the Bachelor of Arts degree, and to have the social science requirement (both entrance and college) considered fulfilled by one-half entrance unit in Sociology, one-half entrance unit in Civics, four college credits in United States History, and eight credits in Economics 14ab. Recommended by the committee and approved by the faculty.

Reeder, Edgar H: to satisfy science-mathematics requirement for Bachelor of Arts degree in Journalism by one entrance unit of science, and twenty-six college credits, instead of required twenty-eight. Petition denied by a vote of 16 to 5.

6. Mr. Phillips, Chairman of the Committee on Admission and Registration, stated that many requests had been made to allow students to receive credit for one quarter of an "n" course without completing the entire course; but that in view of the fact that these "continuous courses" were supposed to be unit courses the committee requested that petitions of this nature be not approved by members of the faculty except for sufficient reason, and that this reason be entered on the petition.

7. The Deans' Conference, Jesse, Chairman, presented the request of R. T. Young for permission to change the following grades in Biology 11b: David Allweiss, from C to B; Helen Rooney, from D to C; and Ray Sturm, from D to C. The request was approved by the faculty.

8. Mr. Merrill, Chairman of the Schedule Committee, stated that members of the committee would not be in residence next summer, and asked for early submission of schedule copy, so that the material could be prepared for the printer by June 9th.

On motion of Mr. Leaphart, the faculty voted to change the entrance requirements to the Law School by requiring students entering the Law School between September 1, 1928 and September 1, 1929 to offer for admission grade points equal to at least ninety per cent of the credits earned, and by requiring students entering after September 1, 1929 to offer as many grade points as credits.

10. President Clapp read an invitation to the faculty from Major General J. L. Hines to visit the Reserve Officers' Training Corps camps during the summer of 1928.

11. President Clapp explained the "Proposed Budget for 1928-29," and the "Program for Decade 1928-1938 for the State University of Montana," copies of which were distributed to members of the faculty.

Petition
(Individual)

12. Dean Stone requested the faculty to reconsider the petition of Edgar Reeder for exemption from two of the twenty-eight credits in science-mathematics required for the degree of Bachelor of Arts in Journalism. On motion of Mr. Shellenberger, the faculty voted to reconsider Mr. Reeder's petition. After discussion, the faculty decided, by a vote of 14 to 13 to deny the petition.

13. There being no further business, the meeting adjourned.

Mr. Lennes moved that Miss Miller be graduated with honors. After general discussion Mr. Lennes withdrew his motion and petitioned the faculty for permission to change Miss Miller's grade in Mathematics 125, Solid Analytic Geometry (autumn, 1927) from B to A. A motion by Mr. Carey for the approval of Mr. Lennes' request was lost by a vote of 12 to 16.
